

## ESP OFFERINGS

### **What is ESP?**

The Iroquois Employee Services Program, or ESP, serves as a benefits and information resource for health care workers in Upstate New York. The ESP provides a host of resources, discounts, and information to keep the health care employee informed and appreciated. Organizational Membership in the Employee Services Program allows a health care organization's employees to access significant discounts and services that are specially packaged and customized for the Iroquois ESP.

**Employees** are able to access information about ESP offerings through a password protected website, using their employer-provided ESP membership ID and logging-in with a password. ESP membership ID numbers may also be used for online purchases. There are also some participating retailers who offer discounts by showing an ESP membership card at the time of purchase.

Relationships have been established with numerous **businesses** to bring employees a variety of the best local, regional, and national services in categories that include: House and Home, Education, Wellness and Fitness, Automotive, Gifts, Travel and Entertainment, and more.

We are constantly improving the ESP benefits package offered to our members. Check back often to view any additional discounts and services to ESP.
