

## ESP OFFERINGS

### **What is ESP?**

The Iroquois Employee Services Program, or ESP, serves as a benefits and information resource for health care workers in Upstate New York. The ESP provides a host of resources, discounts, and information to keep the health care employee informed and appreciated.

**Organizational Membership** in the Employee Services Program allows a health care organization's employees to access significant discounts and services that are specially packaged and customized for the Iroquois ESP. ESP membership cards are provided for each employee of health care organizations that enroll in the ESP.

**Employees** are able to access information about ESP offerings through a password protected website, using their employer-provided ESP membership ID and logging-in with a password. ESP membership ID numbers may also be used for online purchases, or by showing an ESP membership card at some participating retailers.

Iroquois has established relationships and partnerships with numerous **businesses** to bring busy health care employees a variety of the best local, regional, and national services in categories that include: House and Home, Education, Wellness and Fitness, Automotive, Gifts, Travel and Entertainment, Personal Finance, and more.

We are constantly improving the ESP benefits package offered to our members. Check back often to view any additional discounts and services to ESP.

## Featured Partner

Our strategic partner, featured here, has been instrumental in our ability to develop and provide this exciting program to the health care community of Upstate New York. This vendor offers some of the most comprehensive and state-of-the-art products and services, which are made available to ESP members at a fraction of their regular retail prices.
